Overview

Angélica Cure advises and represents clients in a range of legal matters.

She has experience as a monitor of liquidations of the Labor Law area of the Legal Office of the Pontificia Universidad Javeriana, and as coordinator of the Labor Law Observatory of the same university, in collaboration with the Corporación Excelencia en la Justicia.

Angélica's studies included an emphasis in International Commercial Law and Tort Law, as well as an academic exchange at Universidad Rey Juan Carlos, Madrid.
