Overview

Dr. Frauke Biester-Junker advises companies on all matters of employment law, particularly on corporate restructuring – from due diligence to post-merger integration. As partner in an international business law firm, she has represented numerous national and international companies in this area in past years. She advises on matters of company retirement pensions and compliance with employment law. A trained mediator, she also advises companies in the area of conflict management.

Before joining vangard, Frauke worked for an international law firm where she became a partner in 2007, and she was also co-founder of an employment law firm. She was admitted to the bar in 2002, has been a specialized attorney (Fachanwalt) for employment law in Germany since 2006 and became a business mediator in 2013. She is a member of several national attorneys' associations and is also actively involved as a public speaker and contributor to professional journals.
