Overview

Michelle Engberts has a special interest in the labor law aspects of the various challenges facing employers, including underperformance, dismissal on business economic grounds and transactions. Michelle's experience includes managing works council advisory trajectories, collective dismissal and harmonization of terms of employment post-transaction. As a labor lawyer, Michelle advises on all aspects of collective and individual labor law.

Michelle has obtained master's degrees in both Labor Law and Constitutional and Administrative Law at Leiden University. Michelle has been a lawyer since 2020 and prior to that, gained labor law experience as a legal advisor.
