Overview

Robert A. Domingues is the Chief Operating Officer of Littler Mendelson. He has overall responsibility for the administrative operations of the firm including financial, technology, marketing, knowledge management, information security, legal product development, human resources, attorney recruiting and development and real estate.

Robert has extensive experience in financial restructuring, mergers and acquisitions, strategic planning and business negotiations. Prior to joining Littler, Robert held various national leadership positions with Graham & James as Chief Financial Officer and with Deloitte, as a partner in that firm.

Robert sits on a number of the firm's committees, including:

- Management Committee
- Retirement Plans Committee
- Diversity & Inclusion Council
- Good Business Practices
- Technology Committee
- Littler Foundation
